

Computer Age Management Services Limited (CAMS) is a mutual fund transfer agency serving Indian asset management companies. The company was incorporated in 1988 and is headquartered in Chennai. It became publicly listed in October 2020, subsequent to an initial public offering (IPO) through an offer by its existing shareholders.

History

CAMS was founded in early 1988 by V Shankar working in software development and computer education.

During Y2K, CAMS pivoted to domestic financial services.

The Indian financial services industry experienced a renaissance in the period 1997/8-2006/7, with changes in regulation, products, and supporting infrastructure. Financial businesses started taking advantage of technology and networking, and CAMS entered what became platform-based services. In 2000 HDFC Group invested in CAMS. In early 2014 India's Stock Exchange (NSE), took a position in the company.

CAMS started off with of 20 staff and started to process transfer agency operations during the late eighties. CAMS handled IPOs including IPCA Laboratories, Wockhardt Ltd, NCD issues of RPPL, RPEL, and Crossland Research Labs Ltd. CAMS processed the first-ever allotment of Ford Escorts, launched in 1996 by Ford India Pvt Ltd.

With the advent of closed-end Mutual Funds, CAMS was involved in the processing of the Indian Bank Mutual Fund and later started to handle the operations of Alliance Capital Mutual Fund. This was CAMS' first open-end mutual fund. CAMS handled the oldest Indian Mutual Funds, such as JM Mutual Fund, ITC Threadneedle, Zurich India Mutual Fund, Sun & FC Mutual Fund, Dundee Mutual Fund, and Taurus Mutual Fund.

Edge360

Edge360 is a distributor portal maintained by CAMS that enables financial and non-financial

transactions for Independent Financial Advisors, their employees, and Registered Investment Advisors. Most financial transactions can be completed using the portal. Some non-financial transactions are supported, such as changing contact details of the investor, changing of bank mandate, and registration. Distributors can also download statements, and a variety of WBR reports to run their daily business. The portal allows mutual fund distributors to run campaigns and initiate KYC for their investors digitally.

Operations

As of June 2020, CAMS employed 6000+ people and offered varied services to the Mutual Funds, Insurance, and Banking industries through its network of 270+ locations across India. CSCs normally provide services to mutual funds, insurers, private equity, KRA, and NPS processes. Customers can enquire about their investments, obtain statements, seek portfolio valuations, buy, sell, and switch mutual fund units, notify changes in their account details, and register and submit KRA applications.
