HSBC Technology India

HSBC Technology India (HTI), previously called HSBC Global Technology (GLT), is part of HSBC Technology, the Bank's technology function. HTI is located in Pune, India, and Hyderabad, India, with the former being the headquarters. HSBC Technology India has been in existence for over 15 years, and currently supports the majority of the software products that make up the Bank's technology eco-system.

HTI is headed by Pradip Menon, who is also global CIO for the Retail Banking and Wealth Management business, as well as Global Head of Application Development and Maintenance. Apart from India, HSBC Technology centers are present in Sri Lanka, China, Malaysia, Poland, and Canada.
