

The Interreg North Sea Programme 2021–2027 (Interreg VIB) supports cooperation projects connecting regions in seven countries around the North Sea.

The programme is part of Interreg, one of the European Union's main funding instruments supporting its Cohesion Policy.

Cooperation area

The programme covers all of Denmark and the Netherlands, the southern part of Norway, the Flemish Region of Belgium, northwestern regions of Germany, southwestern parts of Sweden and northwestern regions of France.

The Joint Secretariat managing the programme on a daily basis is located in Viborg, Denmark.

Goals of the programme

The programme's four funding priorities reflect key challenges facing the North Sea Region.

Interreg North Sea funding aims to contribute towards:

Building smart and robust economies.

Fast-tracking green transitions.

Fostering climate resilience, a clean environment, and a rich biodiversity.

Improving cooperation governance.
