

The national technology adviser (NTA) of the United Kingdom provides technology advice to the secretary of state for science, innovation and technology and the Cabinet of the United Kingdom.

The NTA works across government departments, including with the government chief scientific adviser to support the science and technology landscape.

List of national technology advisers

Liam Maxwell, 2016–2020

Sir Patrick Vallance, 2020–2023

Dave Smith, 2023–present
